

**LRPC Minutes**  
**9/06/06**

Present: Ron Buss, Cathy Snyder, Carter Miller, Betty Newell

The meeting began at 7:10pm.

Cathy reported that she had received a call from Grover Jaeger earlier in the week. He wished to resign his position with the committee. It was agreed that notice should be provided to Crystal Reamy regarding the open spot. It was also noted that contact with Crystal should include a reminder to remove Randy Peterson from the member list so as to avoid further mailings to his widow.

Betty suggested that as part of the Business Plan process, staff issues needed to be addressed in depth to determine infrastructure needs. It was determined that the Rules Committee would be making a recommendation to the Board if another/additional F/T employee(s) would be necessary to alleviate input solely from volunteer committees on enforcement issues.

Carter noted that he and the administrative staff are working on the HR issues and Personnel Manual portions of the Business Plan (#6).

As a point of interest, it was mentioned that on Wed., 9/13 at 3:30pm county officials would meet to discuss short term rental issues within Massanutten.

To keep the Business Plan project moving forward, Cathy suggested selecting another section to target, specifically one identified in the open meeting - the communication plan. This element should cover the communication tools to be utilized, priority of agenda items to be publicized, distribution concerns (use of block captains?), etc.

Betty volunteered to begin work on the "Services" descriptions, and  
Ron agreed to touch base with Grover to move #2d forward,  
"Locations/Facilities"; possibilities of mapping were discussed.  
Carter would begin work on the "Milestones"

It was agreed that before the Business Plan financial elements could be adequately addressed, the committee would have to re-initiate involvement with the Ways & Means committee.

The meeting adjourned at 8:25pm
