

**MASSANUTTEN PROPERTY OWNERS ASSOCIATION, INC.
BOARD OF DIRECTOR CANDIDATES' BIOGRAPHIES**

Daryl Borgquist*

My family has been Massanutten time-share owners for about 30 years. We enjoyed Massanutten and the Rockingham County area so much that we decided to build a retirement home here in 2016 and 2017. I retired from federal civil service after almost 30 years in 2009. In November 2016, I retired from the U.S. Navy Reserve as a Captain after more than 30 years. Our five children are all grown, but have been regular visitors to our home at Massanutten returning with their children to have the same experiences they had growing up. We look forward to continuing our relationship with Massanutten.

Education and Professional

B.A. Bible (1978), B.A. Humanities (Philosophy and Greek) (1978), M.A. Theological Studies (Systematic Theology) (1983), Biola University, La Mirada, California. M.A. Military History (2016), Norwich University, North Field, Vermont. Joint Officer Professional Military Education Diploma (2012), Naval War College, Newport, Rhode Island. Trained mediator for resolving community racial conflicts by the Community Relations Service, U.S. Department of Justice, where I worked for 20 years as its Media Affairs Officer.

Community Experience

I served on the MPOA Rules Committee for a couple of years. More recently, I chaired the MPOA Long Range Planning Committee which completed the Reserve Study and is now updating it annually. The Reserve Study is a major tool for financial planning. I served as Scoutmaster for a Boy Scout Troop in Lovettsville, Virginia from 1991 to 2001. I am an Eagle Scout and all three of our boys earned the rank of Eagle Scout. I served as Vice President and President of the Taylorstown Community Association in Loudoun County, Virginia from 1988 to 1991. I was a member of the Citizens Advisory Committee, Maryland Rail Commuter Train representing the Brunswick Line from 1994 to 1997. The Loudoun County, Virginia, Board of Supervisors appointed me to serve as a commissioner for the Catocin District on the Transportation Improvement and Safety Commission in 2012 and 2015. My wife and I have regularly served as election officers in Rockingham County since moving here.

MPOA Goals

My goals are to maintain and to improve the quality of life for members of the MPOA and ensuring long-term financial stability without raising assessments. Improvement of amenities and common areas and access to the amenities are high priorities. Maintaining an effective working relationship with Great Eastern is important for achieving these goals.

Michael Foster

Many aspects of my life have revolved around Massanutten Resort: work, play, family. I have a genuine love and care for the mountain and its people which have helped shape me into who I am today. In July of 2020, my wife and I became Massanutten property owners, and this opportunity allowed me to further integrate myself into the community. Shortly after becoming full-time residents, I started Ascend Maintenance, a home maintenance company based on the mountain that allows me to work alongside fellow

full-time homeowners as well as short-term rental home owners day in and day out.

Education

East Rockingham High School Graduate
Massanutten Technical Center Graduate
1 Year of Blue Ridge Community College
Professional Firefighter/EMT Academy and Training courses

Professional Experience

2014–2015: I was a certified welder for Walker Tenneco where I learned to weld thin gauged metals in a fast and orderly manner to meet an established quota.

2015–2017: Maintenance Technician for Mountainside Villas Owners Association where I was responsible for the upkeep and maintenance of all townhomes.

2017–Present: Professional Firefighter/EMT for Prince William County to save life and property. My rank is a Technician 1 with various certifications: Firefighter 1 and 2 certifications, swift water operation, driver/pump operation, mass casualties' incident training, technical rescue operations, and vehicle extrication. In addition to the firefighting certifications, I am also an Emergency Medical Technician which requires me to be able to provide basic life support and first aid when necessary.

2020–Present: I am the owner of Ascend Maintenance LLC based within Massanutten Resort. We assist homeowners with various needs and requests surrounding the maintenance of their home. My responsibilities include the supervision of day-to-day operations and projects, community outreach and networking, and administrative duties regarding my employees, and financial oversight of the company.

Community Experience

Although I do not have much community experience outside of my careers, I am eager to become more involved and become better acquainted with the inner workings of the community.

MPOA Goals

My goal is to make a positive difference in the community as well as to assist with the communication between full-time residents, short-term homeowners, and the board. I believe that my previous experience with Massanutten Resort as an employee paired with my professional relationship with community residents will allow me to bring a unique perspective to the table.

Jana Gough*

Education

MBA, University of Phoenix, Phoenix, AZ
BS, Accounting, George Mason University, Fairfax, VA

Professional Experience

I have held several temporary positions within the DOD in the audit and finance fields. After that I worked for Computer Sciences Corporation as an account specialist in the public sector division. I am currently self employed as a business consultant assisting startup and existing businesses obtain funding.

Over the past three years I have served on the MPOA BOD and have served alongside with a very dynamic group of individuals with at times very differing opinions. I firmly believe that while one may disagree with decision made, it is vital to the operation of any organization to respect the decision and move forward as one un-tied front.

I have served on both the Long-Range planning and social committees. At the two-year mark I took on the role as treasurer. Although MPOA was recovering from

**MASSANUTTEN PROPERTY OWNERS ASSOCIATION, INC.
BOARD OF DIRECTOR CANDIDATES' BIOGRAPHIES**

turbulent financial times, there was still work to be done to ensure a financially sound association.

MPOA Goals

If re-elected I will bring to the table a strong business and financial background which I plan to utilize to work with our administrator, board president, and CPA to continue to create a sound financial framework and budget that will minimize assessment increases while simultaneously maintaining the same level of services. I will also work with the Long-Range Planning Committee in their efforts to implement a more ADA compliant community so that everyone can enjoy the common areas regardless of their abilities.

Though COVID-19 has turned our world upside-down over the past two years putting a halt to most social activities, I plan to revive the social committee and resume events and do so safely.

I strongly believe in inclusion and that everyone's opinion should be heard and respected. It is also my belief that while there are solutions to every issue, they may not be the easiest to arrive at and may involve some level of creative and strategic thinking.

Orris Hambleton*

My wife, Becky, and I have been full time residents and property owners since October, 2015. Our daughter is a middle school teacher in Arlington VA and, now with our granddaughter, our family have been frequent visitors to Massanutten skiing and the many other community activities since 1988 when we first arrived in Northern VA... so we moved here when I retired.

Education

B.A., Sociology, University of South Florida, Tampa, FL, 1972
M.S., International Relations, Troy University, European Campus, 1978
International Negotiations, Foreign Service Institute, Washington D.C., 1987

Professional Experience

1972 to 1994: Air Force aviator and headquarters level staff officer. Worked operational and support planning, international negotiations, congressional affairs and special programs. Retired from active duty in 1994.

1995 to 2015: Civilian senior program manager and systems analyst at Headquarters Air Force, Pentagon. Chaired and participated in permanent and ad hoc planning, requirements and program integration groups, committees and integrated process teams. Retired in April 2015.

1995 to 2015: Adjunct Professor teaching courses on International Relations, Government, History and Sociology.

Community Experience

Since moving to Massanutten, I have been a Block Captain for the MPOA Welcome Committee and I have been on the MPOA Board of Directors since 2016. I was a member of the MPOA Conference Committee (2016-2018) and the Committee Chair in 2017-2018. I was also a founding member of the MPOA Garden Committee and helped organize and build the Community Garden Project.

I joined the McGaheysville-Massanutten Lions Club in 2016 and have served as its President Since June, 2017. I am also on the Board of Directors of the Lions of Massanutten Foundation, Inc., funding over \$30,000 annually in grants to support local families, critical medical capabilities/research, and disaster relief efforts at the county, state, national and international levels.

MPOA Goals

I want to continue to serve and be active in my community, and to do what I can to maintain and improve the great life that Massanutten residents and visitors can experience.

Steven McCurdy

Bought our first Massanutten time-share 23 years ago. We purchased a home on Wilson Way in 2018 and expect to move to Massanutten in early 2023.

Education

B.A. Architecture (1977), with a strong concentration in structural engineering. Studied for and obtained Real Estate Broker License in North Carolina (license currently on inactive status)

Professional Experience

Work for Architectural Planning Associates in Charlotte, NC for 3 years. Retired from Norfolk Southern Corporation after 34 years in 2015, having lived in Roanoke, Atlanta (twice), Charlotte, and Norfolk. I initially managed building repair projects and plan review for major new building projects. Transferred to handle corporate real estate matters for a multi-state territory. Promoted to oversee facility management for 3 major headquarter facilities (over 1 million SF), including the purchase, total gut, and renovation of a 12 story/500,000 SF prime office tower in Atlanta, plus the implementation of a system-wide energy-efficiency lighting and building systems project. After retirement, worked part-time serving as Owner's Representative for the 100-year-old Historic Wells Theatre, the equity theatre in Norfolk, handling a \$2 million renovation project.

Volunteer Experience

Volunteered at YMCAs in Roanoke and Atlanta as Fitness Class Instructor. Earned Eagle Scout rank in 1969 and served as Asst. Scoutmaster of a troop in Charlotte (and son attained Eagle Scout rank) Along with wife Karen, served on Board of Directors of Butterfly Society of Virginia, a 501c3 from 2009 to present. We were co-presidents from 2016 to 2020, focusing on expanding on programming along with compliance with state regulations due to growth (now essentially a small-business operation).

MPOA Goals

Massanutten still holds the same excitement for us as when we first started visiting in the timeshares 30+ years ago, and we don't even ski! This jewel of a community has several faces-all have different primary focuses, but there is a commonality that needs to be remembered. My goals are to maintain and to strengthen the quality of life for all the MPOA community; Issues important to me are the road network that is still maintained by MPOA and support for the natural environment. Maintaining an effective working relationship with the resort operator, without losing the MPOA's independence, is a challenge that needs careful attention.

**MASSANUTTEN PROPERTY OWNERS ASSOCIATION, INC.
BOARD OF DIRECTOR CANDIDATES' BIOGRAPHIES**

Carroll James (Jim) Slye*

I have been a home owner and full time resident for almost 38 years, at the same house on Shenandale Drive off Lanier Lane. I have one grown daughter, Kelsey, and a spoiled rotten Pug named Nugget.

Education

I hold a BS in Elementary and Middle Education and a MS in Administration and Supervision from James Madison University.

Professional and Community Experience

I began a career in education in 1980 as a classroom teacher at Elkton Middle School, where I taught United States History and Civics. I served as assistant principal intern while completing my degree in administration. I was head junior varsity coach for football and 8th grade basketball. I was an assistant varsity football and track coach at Spotswood High School. I was voted teacher of the year at Elkton Middle School by the Elkton Combined PTO and The Elkton Lions Club.

I served in administration as an assistant principal at Turner Ashby High School in Bridgewater, VA, was a General Supervisor on the Central Office Staff overseeing the science, social studies and fine arts programs. I was Principal of Wilbur Pence Middle School in Dayton, and I was principal of Spotswood High School. I was appointed to the position of Director of Transportation in 2002 where I remained until my retirement in 2010. I served Rockingham County Schools full-time for 30 years.

I continue to serve Rockingham County Schools as a school bus driver trainer. I substitute for administrators as needed and drive many field trips and athletic events.

I held leadership positions while an administrator. I was the vice-chairman of the Valley District, Chairman of the Valley District and vice-chairman of Region II. In addition I was vice-chairman of region 5, which consisted of the Transportation Departments of approximately 15 county and city school divisions, while the transportation director. I am a member of the professional education fraternity, Kappa Delta Pi.

I am a life member of the VFW Auxiliary and volunteer monthly at the Avis O. Comer VFW Post in Shenandoah, VA.

I have served on the MPOA Board of Directors the past three years helping get our community through our struggle with Great Eastern.

MPOA Goals

I am a fiscal conservative. I would like to continue serving our community while trying to find ways to keep home owner fees reasonable. Amenities need to be attractive to all ages while also being profitable for the association as long as they don't violate the provisions of the homeowners act guidelines. I want to see a civil working relationship with Great Eastern, while not allowing them to take advantage of MPOA. We need to try to find ways to communicate better with all property owners, and encourage more property owners to take part in things like the MPOA Board, various committees and clean-up days, etc.

Michele P. Sullivan

Personal Summary

Massanutten Village resident since 2014, first a renter, then an owner. Most of my time is spent here as I work for Merck, Great Eastern and own a contracting business. My partner, Cheryl, splits her time between here and Annapolis, also employed by Great Eastern and Vail Resorts as a ski instructor. Having failed to grow up in NY fate and funerals brought me to the Valley in 2013. The in-between years were spent living all over the US. Upon discovering the Valley, I couldn't resist trading the Florida heat and humidity for the natural beauty of the mountains.

Education

Master of Arts, Human Resource Development
Webster University
Bachelor of Landscape Architecture, Environmental Science
SUNY College of Environmental Science and Forestry
Bachelor of Environmental Science
Syracuse University
Associate in Applied Sciences, Criminal Justice
Onondaga Community College
